

Hello Teachers and Welcome to Tomorrow Sport!

Thank you for taking the time to participate in this exciting program.

Here are a few basic steps to get your classroom started and participating:

The Tomorrow Sport Home Page is at: <http://www.tomorrowsport.com.au>

At the Home Page → click Register:

Complete your details and make a note of your username and your password. This will be important when you log in later:

A screenshot of a registration form on a dark background. The form contains several white input fields. The labels for the fields are: 'Your Username:', 'First Name', 'Last Name', 'School Name', 'Email Address:', 'Confirm Email:', 'Choose a Password', and 'Confirm Password'. At the bottom left of the form is a white button labeled 'Register'.

After registering you should be brought back to the Home Page. If this does not happen immediately, just click 'Home' from the navigation bar.

At this point an administrator will be required to activate your account. The website will be monitored periodically, so it shouldn't take longer than 5 mins for this to be done.

After 5 mins, at the Home Page → click login

Use your username and password to log in. If you cannot recall your login or having trouble logging in, just send us a message using the contact form on the help tab, and we will address the issue as soon as possible.

Once you have logged in, you will be directed to the Teacher's page:
Here you will be able to see your options on the left pane:
Set your students into groups of no less than 2 and no more than 5 students per group and get them to assign their team captain.

- Sign up these Captains using the 'Create a Team Captain' Form
 - When signing up your Captains, you will assign them a username and password as well, which they will use to log in to the Tomorrow Sport Website. You will be able to view these login details for future reference should a student forget.
 - **you will be able to see all of your Team Captains as you create them
- Similarly you can also View your students using the 'View Students' Button.

Now it's your student's turn to get to work.

Get your Team Captains to log in using the details you assigned them, and get them to follow the instructions:
